To Whom It May Concern:

This is to certify that Mr. Leovelbert V [Emp ID: 0815] has been working with Press Ganey Associates India Private Limited (Formerly known as Binary Fountain Solutions India Private Limited) as Software Engineer- Grade II from 16th May 2022 to 22nd March 2024. He has been relieved of his duties on March 22nd, 2024.

Leovelbert was able to handle the technical solution and implementation for the Reputation product line as a backend developer. He interacts with the team and communicates well. Leo is a very good team player who is focused on developing his technical skills. He is knowledgeable about J2EE, Spring Boot, JPA, Rabbit MQ, MySQL, REST Service, Jenkins and AWS services (EC2, SQS, ECS, EKS)

He has no dues with the company, and we have no objection in relieving him.

We thank him for the efforts and contribution during his tenure and wish him all the best in his future endeavour.

For Press Ganey Associates India Private Limited.

Sunil S Kumar
Managing Director
